Re: Agenda for Requested Meeting, Grouse Creek Operations, M/003/031, Box Elder County, Utah

Dear Messrs. Bown:

Pursuant to your May 12, 1997, letter to the Division, in which you: 1) accepted that your operations in the Grouse Creek area constitute mining operations; 2) canceled your appeal of Agency Action before the Board of Oil, Gas and Mining; and 3) requested that you meet with the Division, we have set the following agenda to help us focus on the issues at hand.

Agenda for Meeting

May 22, 1997

9:00 a.m.

- 1) Discussion and decision on time frame to reclaim previously agreed upon road areas (4.31 acres).
- 2) Should the Grouse Creek operation be permitted as a Small Mining Operation (SMO) or a Large Mining Operation (LMO)? Discussion of what is involved with each choice.

- 3) A. If an SMO, develop a schedule to reclaim down to less than 5 acres. Define what constitutes reclamation.

or

B. If an LMO, develop a schedule to permit and post an interim bond. Define what is involved to submit a permit.

Should you have any questions prior to our meeting, please call me at (801) 538-5306 or Lynn Kunzler (801) 538-5310. We look forward to working with you on this matter.

Sincerely,

Mary Ann Wright,
Associate Director of Mining
